**New Pickens High School Underway**

Trehel Corporation is proud to announce that construction of the new Pickens High School is in progress. This \$35 million project consists of the construction of a new 299,163 square foot prototype high school on a 144-acre site in Pickens, SC.

The new school will include forty-three general classrooms, ten science lecture labs, band and chorus rehearsal rooms, administrative space, a cafeteria for 540 students, a gymnasium for 2,010 students, and an auditorium for 890 students. In addition, construction will include a 5,800 seat football stadium, a baseball and softball stadium, as well as other athletic fields.

### CROSSGATE CHURCH - SENECA, SC

*"We have been very fortunate to have a great contractor in Trehel Corporation."*

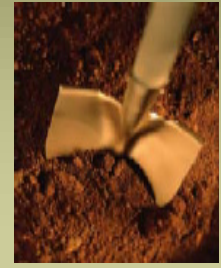

Trehel Corporation is proud to announce the completion of the new worship facility for Crossgate Church located in Seneca, SC. Trehel completed this new facility in April 2010 with the first service held on May 2nd. Trehel began construction of Crossgate Church in December 2009. The completed worship facility contains 8,200 square feet and provides children's educational space, a warming kitchen, a library, a 210 seat sanctuary, and a covered porch. Pictured above are Project Manager Tim Murphy & Superintendent Keith Crane. Trehel would like to give a special thanks to Tim, Keith and the entire Trehel crew for a great project.

2ND QUARTER 2010

COASTAL RETREAT CENTER - ISLE OF PALMS, SC | CAMP KINARD - BATESBURG-LEESVILLE, SC

**Trehel Corporation** is pleased to announce that it has completed renovations to two camp facilities for the **SC Lutheran Retreat Centers**. The Coastal Retreat facility, located in Isle of Palms, SC, contains 9,300 square feet and has undergone extensive interior and exterior renovations. The second facility, Camp Kinard, is located in Batesburg-Leesville, SC. This facility is 4,800 square feet and received substantial interior renovations.

**Trehel Corporation** was the Design / Build General Contractor for both projects and was responsible for construction administration, scheduling, procurement of all materials, systems and subcontractors. **RSCT architecture + design, llc** of Clemson provided architectural design for the projects. Trehel thanks Project Manager Gerald Nalley, Superintendent Dale Nalley and the entire team for a job well done.

2ND QUARTER 2010

### GREENFIELD INDUSTRIES ADDITION - SENECA, SC

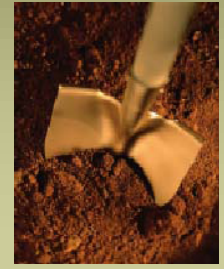

**Trehel Corporation** has completed construction of **Greenfield Industries, Inc** additions in Seneca, SC. The project consisted of the design and construction of a 51,000 square foot addition to the existing facility. One of the many challenges of the project was the very aggressive schedule during the rainiest season in years. The new facility opened in January 2010.

**Trehel Corporation** was the Design / Build General Contractor for the project and was responsible for construction administration, scheduling, and procurement of all materials, systems, and subcontractors. **McKibben Architects** of Seneca provided architectural design. Thanks to Project Manager Tim Murphy, Superintendent Chris Frey and the entire Trehel team for a job well done on this project.

2ND QUARTER 2010

### ABNER CREEK BAPTIST CHURCH - GREER, SC

Trehel Corporation began construction of Abner Creek Baptist Church in Greer, SC in July 2009. The new facility will contain 21,525 square feet of children's educational space and a new sanctuary, along with renovations to the existing church gymnasium. Trehel will complete the project in June 2010.

Trehel Corporation was the Design / Build General Contractor for the project and was responsible for construction administration, scheduling, and procurement of all materials, systems, and subcontractors. Freeman & Major Architects of Greenville provided architectural design. Thanks to Project Manager John Cox, Superintendent Rob Brasher, and the entire Trehel team for a job well done.

2ND QUARTER 2010

### OAKDALE BAPTIST CHURCH - TOWNVILLE, SC

Trehel Corporation began construction on a new facility for Oakdale Baptist Church in Townville, SC on February 12, 2010. The project consists of a new 13,400 square foot sanctuary building with a connector to the existing church facility. The new building will also incorporate children's facilities, classrooms and church support functions. In addition, the 500 plus seat sanctuary building will have an attached covered drop-off for the convenience of church members and guests.

Trehel Corporation is the Design / Build General Contractor for the project and is responsible for construction administration, scheduling, and procurement of all materials, systems, and subcontractors. McKibben Architects of Seneca is providing architectural design. The project is scheduled for completion in November 2010.

### TREHEL NEWS

### DRESS LIKE WILL HUSS DAY

On April 1, 2010, employees of Trehel Corporation dressed up like our President and CEO, Will Huss, to celebrate April Fools Day and Will's birthday. Will's family joined in the fun and chose our contest winner, John Cox. Thanks for the laughs!
